Grants and Charitable Contributions

Bausch + Lomb is committed to good corporate citizenship and donates millions of dollars and thousands of volunteer hours to hundreds of organizations worldwide that support our mission of perfecting vision and enhancing life.

We support innovative eye health programs; science, engineering, healthcare, and business education programs for elementary and secondary students; community betterment in cities/regions where Bausch + Lomb has major operations; research related to our businesses; and educational programs for healthcare professionals. Please note that we do not provide grants or charitable contributions via courtesy advertising, fund-raising events (like raffles and golf tournaments) or to governments, politicians, political or fraternal organizations.

Our Grants & Charitable Contributions Program is conducted in accordance with the highest ethical standards and in full compliance with all applicable laws, regulations and guidelines. Approval of grants and charitable contribution funding is never related to or conditioned upon past prescriptions or purchases of Bausch + Lomb products. Further, we do not offer or provide grants or charitable contributions to encourage or to reward the prescription, purchase, ordering, or recommending of Bausch + Lomb products.

To submit a proposal for consideration, [click here.](#)

Note: 6-12 weeks are required for a proposal to be reviewed and a decision to be received.

Step 2: Select Funding Type

Bausch + Lomb Funding Type **Educational Grant** [Preview Proposal Questions](#)

- » **Educational Grant**
- » Educational Grant - For Individuals
- » Independent Research Grant
- » Charitable Contribution

"Educational Grant" means: Funds provided to third party organizations in support of educational activities.

It does not include commercial activities in which funds are paid to vendors for product promotion (booth space or advertisements at conferences) or other Bausch + Lomb organized educational activities such as dinner seminars funded as part of a Company speakers program. It also does not include Charitable Contributions in support of non-healthcare provider education such as funding for local elementary school initiatives (See "Charitable Contribution" to the left).

Examples of Educational Grants include: Funding for CE/CME events sponsored by accredited organizations, medical student scholarships where recipients are selected by their school and medical educational institutions.
